

Accelerate your migration

HPE Smart Choice offers low rate financing when replacing non-HPE storage

HPE Financial Services can help customers find new ways to plan for, acquire, consume and adapt the technology systems needed for business transformation.

**This promotion expires
October 31, 2017.**

More than ever, technology is a driving force behind business transformation. While this evolution can open endless doors, a different IT investment strategy that includes alternative payment models can help your organization reach its goals more quickly.

Take advantage of this limited time financing offer to help drive change and move your business forward.

Limited time offer¹

- Choice of:
 - 0% implicit finance rate for 48 month term
 - 2.99% finance rate on 36 month term
- Other attractive low rate offers available
- Qualifying transactions starting at \$50,000 USD and up to \$1 million USD
- Must be a new HPE storage customer replacing equipment
- Offer available now through October 31, 2017
- Available in United States and Canada

Eligible equipment

- All HPE Storage solutions
- Select non-storage HPE and non-HPE hardware and non-hardware items (e.g., software, software appliances, services, and installation) may be bundled at standard finance rates; subject to credit approval

More than just a low rate

- We are committed to providing a clear standard for what you can expect from us, providing transparency into the process and solutions we deliver. Our service commitment to you means a customized strategy for your business, with the expertise to develop, drive and fine-tune your plans as your company evolves.

¹ Financing available through Hewlett-Packard Financial Services Company and its subsidiaries (HPFSC) to qualified commercial and public sector customers in the United States and Canada and is subject to credit approval and execution of standard HPFSC documentation. Offer valid through October 31, 2017 on transactions larger than \$50,000 USD and up to \$1 million USD. 48 month, 0% implicit financing rate requires a Fair Market Value financing agreement and assumes the lessee is not required to pay any nominal end-of-term purchase price at the end of the lease term and disregarding any charges payable by lessee other than rent payments (such as maintenance, taxes, fees and shipping charges). Other charges, including without limitation, taxes, fees and shipping charges, may apply. Not all Hewlett Packard Enterprise products are eligible. Not all customers may qualify for these rates. 2.99% financing rate requires a \$1 end of term purchase option financing agreement and disregards any charges payable by lessee other than rent payments (such as maintenance, taxes, fees and shipping charges). Other restrictions may apply. HPFSC reserves the right to change or cancel this program at any time without notice.
