

HPE Houston Customer Engagement Center

The HPE Houston Customer Engagement Center (CEC) offers a hands-on environment for you to discover the business value of our comprehensive Enterprise portfolio. CEC customized briefings provide a forum to discuss HPE's technology direction and key strategies, build closer business relationships and explore customer's ideas about how Hewlett Packard Enterprise can deliver targeted enterprise and small-medium business solutions to better meet your specific needs.

a briefing**

Our Center

The CEC is located in Houston, Texas at HPE's main campus facilities in building CCM7. It is the home of Industry Standard Servers, BladeSystem, Networking and Enterprise Software businesses, as well as select HPE Storage functions.

This state-of-the-art facility has an experienced staff to ensure that customer briefings are productive and worthwhile investments. Targeted briefings help you to gain a better understanding of the Enterprise portfolio—leading to new solution implementation, inspiring innovative strategies, and solving real-world challenges.

- Meet with HPE Executives and Leadership
- Engage in stimulating conversation
- Gain insight into HPE innovations and plans
- Experience products and solutions first-hand
- Collaborate with Industry Experts
- Take behind-the-scenes tours
- See service and solution demos
- Get informed about strategic alliances and partnerships

The CEC has incorporated the latest high-tech briefing rooms, multiple product demonstration areas, solution demo capabilities, Virtual Collaboration (VC3) capabilities, a business center, and an engaging lounge/living room environment.

A unique look at HPE innovation

The Customer Engagement Center offers a unique inside look at how HPE Converged Infrastructure solutions have been designed to make the data center simpler, more flexible, more efficient, and less expensive to operate. During a briefing, you can experience this exceptional environment for yourself, gaining new perspective on your own business challenges.

Our team will work with your account team to plan a briefing that is customized to meet your company's business objectives and exceed expectations while taking advantage of the numerous resources HPE Campus has to offer:

Discussion topics can include:

- Cloud
- Hybrid IT
- Intelligent Edge
- Server Refresh
- HPE Pointnext

Consult with the experts supporting business technology in action—talented professionals who bring the technical insight, process excellence and resource flexibility to help you optimize your technology operations and drive business outcomes, from desktop to Contact your local data center.
