

Course overview

HP Storage P4000 SAN Configuration and Administration,
(HH657s_00280117)

The P4000 SAN course is a comprehensive technical-based training course that teaches the skills needed for planning, installing, configuring, and managing HP P4000 storage area networks (SANs). Learning concepts are reinforced through a series of comprehensive lab assignments.

Audience

This course is intended for P4000 customers, HP Services field engineers, call center personnel, Presales and Channel Partners and other field personnel who provide installation and/or operational support assistance for HP Storage P4000 SANs.

Prerequisites

- Basic networking experience.
- Windows 2003/2008 R2 and/or VMware vSphere 4i administration experience.
- SCSI, RAID, Fibre Channel, and backup technologies.
- Experience with SAN concepts SCSI/iSCSI concepts is helpful.

Course objectives

- Explain the architecture of the P4000 SAN solution.
- Plan and install networks of Storage Systems, including multi-site installations providing High Availability / Disaster Recovery.
- Configure Storage Systems for initial connection.
- Install and use the P4000 Consolidated Management Console (CMC).
- Configure and manage the P4000 SAN.
- Mount the SAN Volumes from Windows 2003, Windows 2008 R2, or VMware vSphere 4.1i.

Why education services from HP?

- Streamlined purchase and management of training with HP Care Pack Services for Education
- More than 30 years of Education Consulting
- Unmatched technical expertise and support for HP products and technologies
- Recognized as an IDC MarketScape leader for IT education (IDC MarketScape: Worldwide IT Education and Training 2012 Vendor Analysis, doc #232870, February 2012)
- Comprehensive curriculum of job-specific training leading to vendor certification

Course title:	HP Storage P4000 SAN Configuration and Administration,
HP product number:	HH657s_00280117
Category/Subcategory:	Storage
Course length:	16 hrs
Level:	Intermediate
Delivery language:	English
To order:	You can order this course online at http://www.hp.com/learn . At the site, select a country, then choose "registration" or "Book a course" and fill out the online registration form.
