

HP Education Services for Government Customers [US/Canada]

HP Education Services is a trusted resource for providing best-in-class training to government agencies. We offer training solutions tailored to your unique needs.

Government training solutions

HP provides award winning training courses and education consulting services to government customers. We offer solutions, capabilities and expertise to make sure that the unique and vital needs of our government customers are met. The flexibility and convenience of our offering help ensure that your training objectives are met.

- Flexible delivery methods, including VILT (virtual, instructor led training), for geographically dispersed teams
- Customized training delivered at your site or ours
- Certification based training

US Federal Government Customers: HP Volume Purchase Training Agreement

The HP Volume Purchase Training Agreement offers US Federal customers the ultimate in savings and flexibility.

- Volume discounts off list pricing
- Purchased in \$100 or \$1000 increments
- Use toward scheduled, self-paced and dedicated courses

Canadian Federal Government Employee Discount

Canadian Federal Government Employees are entitled to a 15% discount on public, open enrollment courses from HP Education Services.

Terms and conditions:

- This discount applies ONLY to Canadian Federal Government employees.
- Canadian Federal Government contractors, partners and customers are not eligible for the discount.
- The discount applies to all scheduled public courses offered by HP Education Services in Canada, including VILT courses. This discount is not applicable to training offered by other organizations within HP, including HP Software Education. This offer does not apply to onsite or dedicated courses. This discount is not valid on courses conducted at HP Education Centers in the US.
- This discount cannot be combined with other HP discounts or promotions including Care Pack discounts.
- This discount is only applicable to training sold directly by HP Education Services and does not apply to training sold through HP channel partners.
