

HPE Education Services VMware vSphere Training and Certification

HPE Education Services helps drive better business results through VMware training solutions. Let HPE be your single vendor source for technical training and expertise related to virtualization technologies including HPE ProLiant, HPE ConvergedSystem, HPE OneView and HPE Insight Control.

Why partner with HPE VATC for VMware training

- End-to-end training solutions covering Composable Infrastructure, Converged Systems, Cloud and DevOps, including vSphere integration and management using HPE OneView
- VMware Certified Instructors (VCI)
- Authorized VMware courseware, supplemented with value-add HPE technology content.
- Converged 1:1 lab equipment ratio (one server per student)
- Value add pricing for training plus certification prep (visit us [online](#) for special offers)
- HPE My Virtual Lab to extend the learning experience beyond the classroom
- Access to the latest HPE servers and other HPE technologies, with special attention to the integration between VMware vSphere and HPE OneView
- Flexible delivery methods including VILT (Virtual Instructor Led Training)

VMware training from HPE Education Services

When it comes to VMware training, HPE leads the way. One of the largest official VMware Authorized Training Centers (VATCs), HPE is committed to the highest quality training solutions.

VMware runs on industry leading HPE platforms including HPE BladeSystem, HyperConverged HC250 and HC380, ConvergedSystem 700, Composable Infrastructure and HPE Synergy. HPE Education Services can cover all your training needs—including Composable, Converged, Cloud and DevOps—with full VMware integration and management using HPE OneView.

Certification

HPE delivers training recognized by VMware for the VMware Certified Professional (VCP). We offer VCP6 certification preparation courses and access to self-paced HPE My Virtual Labs. This unique combination of training and certification prep helps students prepare for their VCP6 certification exams and improve their success rate.

Explore VMware vSphere training and certification prep on page 2.

HPE Training Credits for VMware Services (HF386E/A1)
