

HPE Training Credits

The success of your organization depends on the knowledge and skill of your people. However when faced with funding challenges, training budgets are often the first to go. Similarly securing approval for training requirements on an ad hoc basis can be a timely process. That's why Hewlett Packard Enterprise Education Services (HPE Education Services) offer a program that makes it much easier for you to budget for training and ensure your people receive the training they need, when they need it.

Why buy a HPE Training Credits?

- **Secure Your Budget** – purchase training credit whilst funding is available, then use it when training is needed
- **Flexible** – Attend training as you need it. There is no need to know students names, dates or locations in advance.
- **Convenient** – Minimize the time and effort spent on purchasing and managing training throughout the year. A single purchasing transaction sets up your HPE Training Credits.
- **Easy-to-use** – Once your HPE Training Credits are in place, students simply enroll for classes as needed, no additional funding, purchase orders or approvals are required. You can register for scheduled courses through HPE Education Services website www.hpe.com/ww/learn
- **Economical** – Stretch your training budget without sacrificing in-depth training needs. There are several HPE Training Credits offerings to choose from.
