- HPE sends a welcome letter with each purchase—so you will know exactly how to select courses, enroll in classes, and redeem your Training Credits.
- Training Credits can be used to attend any training offered by HPE Education Services in the Mexico, including open enrollment classes at HPE Education Centers, live, virtual, instructor-led classes delivered via VILT, and dedicated onsite classes.
- Training Credits units are priced at \$600 USD per day—the cost for one student to attend one day of public, open enrollment ProLiant, ConvergedSystem, Big Data or CloudSystem training.
- If you choose to use HF385E (Fixed)/HF385A1 (Flexible) outside of the ProLiant/CDI curriculum, then the dollar value of the courses will be redeemed rather than the number of days.
