## December 2017 to July 2018 Technical Training Schedule

### HPE Education Pack

**A purchase option that can greatly simplify your budgeting and purchasing processes.**

Many times, organizations allocate training budget in advance of making specific training plans. HPE aligns to your need to apply that budget by required fiscal deadlines, and gives you the flexibility to make specific enrolment decisions later. Education Pack balance can be applied to any training course offered by HPE Education Services, at any time, for anyone in your organization. Please contact us for details.
